If my guys send u funds will u spend it on/keep it for yourself?

of course I would keep it for myself. I listened to all of the advice you gave me the last time and I don't take anything for granted.

And just between us? Even though u r wise beyond your years given our respective ages it would be taken the wrong way.

Yes .. Just between us

OK will have one of my guys email u. He will send you 50K.

I'm completely speechless, thank you so much..

We still meeting up in ny in a couple weeks??

Will let u know when I figure out schedule. Likely the week of 19th. When r u off?

I have most weekends off unless we are doing shows
